

The Energy Connector

Issue #43

Our Service Centre Branch location at 500 Commissioners Street is a restricted access location. Members who are not currently employed by Toronto Hydro will need to call ahead to make arrangements if a visit to this branch location is necessary.

Please contact us at 416-238-5606 if you have any questions.

TECU Eco Tip—Opt for reusable water bottles.

Tap water is drinkable. Keeping a, BPA-free water bottle in your bag is an simple way to save the cost of a three-dollar bottle of water—the same cost of 700 gallons of water out of the tap at home. Bottled water is wasteful in many ways: An estimated 80 percent of them don't get recycled and, because of the plastic production process, it takes three times the amount of water in a water bottle to produce just one!
